Search: Auto-Complete-Search

When typing in a search term in the search input, this add-on searches the content of the site and gives propositions as sentences.

https://github.com/danielgasser/concrete5---Auto-Complete-Search

```
git clone
https://github.com/danielgasser/concrete5---Auto-Complete-Search.git
mv concrete5---Auto-Complete-Search/ toess_lab_auto_complete_search
```
